

5 Which row in the table gives the gravitational potential energy, the elastic potential energy and the kinetic energy of a bungee jumper during the first fall? Air resistance is negligible.

		Gravitational potential energy/ kJ	Elastic potential energy/ kJ	Kinetic energy/kJ
A	top	120	0	0
	middle	60	10	50
	bottom	0	120	0
B	top	120	0	0
	middle	60	30	30
	bottom	0	60	60
C	top	120	0	0
	middle	60	30	60
	bottom	0	120	0
D	top	120	0	0
	middle	60	60	0
	bottom	0	120	0
