27 Photon X carries energy E_X and momentum p_X, and Photon Y carries energy E_Y and momentum p_Y. Photon X has a longer wavelength than Photon Y.

Which relationships are true?

A	$E_X > E_Y$	$p_X > p_Y$
B	$E_X > E_Y$	$p_X < p_Y$
C	$E_X < E_Y$	$p_X > p_Y$
D	$E_X < E_Y$	$p_X < p_Y$
