

11	D	Uniform g field has the same g field strength at all points
12	A	Mean speed = $\frac{(2+10+11)u}{3} = 7.67u$ Mean square speed = $\frac{(4+100+121)u^2}{3} = 75u^2$ Root mean square speed = $u\sqrt{75} = 8.66u$
13	B	$nV = nRT = \frac{m}{M}RT$
