

24 Ans: B

Current in W_1 is into the page.

SAJC Prelims 2024

9749/01

[Turn Over

Resultant B at W_1 is vertically downwards in plane of page by Rt Hand Grip rule (due to current in W_2 only. Since B field due to current in W_3 is parallel to the current in W_1 , W_3 exerts no force on.)

By Fleming's Left hand rule, force on W_1 (due to W_2 only) is directed to the left.
