

$$[\Delta H] = [RT] = 5 \text{ J mol}^{-1} \text{ K}^{-1} \times K = 5 \text{ J mol}^{-1}$$

2 Ans: B

Option C and D is out as they can be seen to be inaccurate. Option A and B, each has average value of 1.4925, which is accurate. But Option B is less precise than Option A.

3 Ans: C
